Foreword

How Yearbooks Got Started

"In the early years the yearbook was a memory album for seniors only. In the beginning seniors exchanged pictures. Some pasted them into albums together with newspaper clippings to serve as a reminder of school days. Some such procedure still obtains in many small schools. Eventually printed yearbooks came into being. In the late 1880's, the use of halftones was developed and the more progressive schools adopted this new method of photo reproduction into their publications. However, editors did not start immediately to produce streamlined books similar to those now being printed. It was too much to expect yearbooks to change overnight. Today the chief function of the yearbook is the same as it was before printed annuals made their appearance. It should still be a memory book, a family album of the school. Students still want pictures of themselves and of their friends."

The annual is one of the best loved publications which a school edits. It is a reminder in later years of our friends and ourselves; at play, in activities, and yes—even at work.

The first annual at Mary Baldwin was quite different from that of today. Published in 1891, "The Augusta Seminary Annual" made its debut. At first, only literary articles were admitted, which were written in French and German, as well as in English.

When the name of our alma mater was changed to Mary Baldwin Seminary, the annual was also stylized and became "The Annual of the Mary Baldwin Seminary." Up until this time, English teachers edited the yearbook, but with the new changes, a student took over this responsibility.

In 1899, the annual received a third title, "The Mary Baldwin Souvenir," which was the first publication of this sort with a stiff cover, regular photographs, original art work and a dedication.

After alternating between "THE BLUESTOCKING" and "Baldwins," Mary Baldwin, in 1902, finally adopted "THE BLUESTOCKING" for her yearbook title.

DEDICATION

For over ten years he has been as much a part of Mary Baldwin as the chapel services, which, under his able and willing direction are a part of the Christian life of our college. His untiring efforts to fulfill our religious needs, his capability as head of the philosophy department, the pleasantness of his character and his winning quiet charm have endeared him to all who know him. Not only is he loved at Mary Baldwin, but he is known throughout the community as a minister, teacher, and friend.

With sincere appreciation, we dedicate the 1951 **Bluestocking** to Dr. Herbert S. Turner, who has welcomed every opportunity for service, guidance, and assistance to the students of Mary Baldwin.

CLASSES

Ivy Song

Plant we the ivy 'neath thy sheltering portal,
Strong as our love and like our love immortal.
May it grow near thee, telling of our love for thee,
Our Alma Mater.

Here we would leave a symbol of our living
Where we have learned the lesson of life giving.
Our hearts in knowing thee, closely have been drawn to thee,
Our Alma Mater.

Senior Song

(Tune: "Londonderry Air")

While mountains guard thee in the Shenandoah,
And loyal daughters daily look to thee,
The spool of happy days is fast unwinding
Its colors rare for memory's tapestry.
The tall white columns gleaming in the sunlight,
The moonlight casting over all its spell,
The scarlet autumn, and the winter snowflakes,
Oh, Mary Baldwin, can we say "Farewell".
3
May laughter ring, and dreams be ever golden,
Along the terrace there above the street,
May friendships live like truth's white flame a-glowing,
Like truth's white flame that never meets defeat.
Where'er we be, we'll cherish with fond happiness,
That golden tapestry of memory's spell,
And ever we our faith and love will pledge thee,
So, Mary Baldwin, hail and farewell.

The summer of 1948, with its many days of reverie and plans passed by for those of us who were to be freshmen the following September here at Mary Baldwin. It seems a long time since we saw the massive white pillars for the first time, were "labeled," so to speak, and led to our rooms. We were particularly impressed by the "you are welcome here" smiles on the faces of all the upper classmen.

After several days of adjustment, we began to feel that we really belonged here—that we were really Mary Baldwin girls now. There were weeks chock-full of parties, plays and receptions, and then Christmas with exams coming soon. We became panic stricken when anyone mentioned the word "exam," for we were sure that our college days would come to an abrupt end, after we got the results from

those dreadful ordeals. However, we found that we were still living when exam week was over. Time certainly did pass rapidly and soon it was June and time to bid a tearful farewell to our friends.

The next September found back gallery a gathering place for long lost buddies. We were years older now, for we were upper classmen and had Little Sisters.

Here we are, the present sophomore class, at the close of our second year at M.B.C.—and a glorious two years they have been. A great many events have taken place since we first wandered shyly into Main Building as bewildered freshmen. We have enjoyed two Apple Days, given a couple of grand class parties, studied for numerous exams, and even assisted with some very delightful dances.

Remembering our first year and our many adjustment problems, we have tried extremely hard to help this year's freshmen. As a class, we have had our moments of success along with the rest. The swimming contest and the hockey meet gave us chances to make some winning records of which we are proud. You will find us well represented in the *Miscellany*, and *Campus Comments* has been invaded regularly by our members.

And now, at the half-way point in our college career, we can look both backward and forward with pleasure, for the sophomore class has held its own nicely and is eager to continue making indelible marks on the pages of the Mary Baldwin story.

We were joined this year by our special foreign student—Suk Hyun Lee of Seoul, Korea.

The Student Government Association

PATRICIA HOSHALL
President

The girl who attends Mary Baldwin gains so much—friendships with outstanding girls, factual knowledge in classes, and a deeper religious faith. Her composite gain is a knowledge of the way to live with other people.

The best training she could possibly have for being a good citizen is participation in a Student Government Association such as ours at Mary Baldwin. In this college community she realizes that each student must give up some of her personal privileges to insure broader rights for all. This idea is the basis of our American democracy.

Our Student Government Association is supported by the Honor System. This Honor System applies in every phase of college life. Living in this atmosphere of trust develops in each student a feeling of responsibility. Each day that she upholds the ideals of the college, supported by the Student Government and the Honor System, she is building qualities of enduring value into her life. She gains confidence in herself that she will never lose after leaving Mary Baldwin.

Everyone who comes to Mary Baldwin is eligible to be a member of the student Government Association if she shows that she is qualified. Each Mary Baldwin student should realize that being a member of this Association is one of the greatest privileges she will ever be granted.

ALLETTA JERVEY
President

The Y. W. C. A. is the oldest organization on the campus, being a charter member of the National Student Y. W. C. A. begun in the late nineteenth century. The Y. seeks to find the needs of the girls whatever they may be in growing towards maturity and Christian responsibility, and to take steps to fulfill these needs.

The program consists of worship—through devotions in the dorms, Sunday vesper services; study—in discussions on the Christian approach to various problems, a group interested in missions or church work; action—as in community service at the School for the Deaf and Blind, Betty Bickle Home, and the Effie Ann Johnson Day Nursery, the World Student Service Fund Drive, Big-Little sister program for freshmen, money-making projects as book sales and the food-filled nook.

The Y. W. C. A. has a cabinet composed of the officers and committee chairmen that meets once a week in the home of Miss Mary Lakenan, indispensable advisor to the group, to study the needs of the campus from a Christian viewpoint, to plan the year's work, and for inspiration and guidance in the task of the Y. W. C. A. Each committee has its own meetings and activities on which the chairmen report back to the cabinet. Each committee has a freshman representative and these freshmen form a freshmen cabinet.

The advisory board, consisting at present of Miss Lakenan, Mr. Daffin, Miss Hillhouse, Dr. Turner, and Mr. Talmage meets with the cabinet at least twice a year to discuss the work and plans of the organization.

Through worship, study, and action, the Y. W. C. A. strives to fulfill its motto: "Not by might, nor by power, but by my spirit, saith the Lord of Hosts."

DAY STUDENT CLUB

President VIRGINIA MARSH
Vice-President LORRAINE WELLER
Secretary GINGER WRIGHT
Treasurer BETTY JEAN RALSTON

The Day Student Club is organized chiefly for the purpose of giving day students an opportunity to participate in college functions as a group. The club sponsors various social activities for its members during the year. Picnics, spaghetti suppers, popcorn and coke parties, and a Christmas party are enjoyed by all. Each year, the group entertains both the Mary Baldwin faculty and the senior girls from Stuart Hall and Lee High, and serves the community in managing the sale of Easter lilies for the benefit of crippled children. Miss Fannie Strauss is sponsor of the club.

THE INTERNATIONAL RELATIONS CLUB

President JEAN ATKINSON
Vice-President CONNIE DETRICK
Secretary-Treasurer JEAN ROMM

The purpose of the International Relations Club is to promote interest in world affairs. This year, the club sponsored the "Crusade for Freedom" and has presented programs dealing with current world problems. Movies and discussion groups have been included on the programs. The club is sponsored by the Carnegie Endowment for International Peace and is affiliated with the national organization of International Relations Clubs. Sponsors for this year are Miss Lillian Rudeseal and Mr. Robert Bowles.

BETA BETA BETA

President STACIE CAUL
Secretary PATSY WILSON
Historian DOROTHY BRIDGES

Tri Beta, as it is usually called, is a National Honorary Biological Fraternity. Here on Mary Baldwin campus, we have the Alpha Pi chapter. A genuine interest in biology and scientific truth is the prerequisite for provisional membership and those with a certain academic standing and at least ten hours of biology are eligible for active membership. The club participates in the activities of the Presidents' Forum and the club programs are designed to broaden our interests and increase our knowledge of the biological sciences. Miss Lillian Thomsen is the sponsor.

Organizations

THE FRENCH CLUB

President JACQUIE McCLENNEY
Vice-President ANN TAYLOR
Secretary BETTY GWALTNEY
Treasurer JEANNE BELLE SHERRILL

The purpose of Le Cercle Francais is to encourage interest in French life and customs and to help students in practical speaking. Games, skits, movies, records, songs, and native speakers are included at informal gatherings. To further aid French speaking, there is a French table in the dining room. The club appreciates the ideas and suggestions of its sponsor, Miss Clare Flansburgh.

THE ART CLUB

President ANN FITCH
Vice-President BILLIE SMITH
Secretary-Treasurer .. BECKY RICHARDSON

The Art Club under the direction of our sponsors, Mr. and Mrs. Day, endeavors to promote a keener interest in art on the Mary Baldwin campus. Through its lectures, exhibitions, and auctions, the Art Club tries to stimulate enthusiasm to all those interested in being members of the club. This year for the first time, an auction of student paintings was held to raise funds to purchase a painting of a well-known Virginian artist.

It is our hope that through the Art Club, all students will have a more real understanding of art.

THE SPANISH CLUB—"La Charla"

President MARTH A FRIERSON
Vice-Presidents BETTY BLOUNT
and JANET RUSSELL
Secretary-Treasurer ETHEL SMEAK

The purpose of the Spanish Club, better known as "La Charla," is to encourage interest in the Spanish language, life, customs, and literature. In order to do this, the club programs include Spanish games, parties, and talks, conducted at informal gatherings. The Spanish table in the dining room is always a help in extending one's speaking knowledge of this language. The club is assisted so expertly and kindly by its sponsor, Miss Dorothy Penin.

THE MUSIC CLUB

*President MARY ELIZABETH EVANS
Vice-President MARGARET BAUGH
Secretary ANN SCHLOSSER
Treasurer JEAN KYLE*

The Music Club's only membership requirement is that those girls who join it have a lasting interest in and an intense love for music. Sponsored by Miss Ruth McNeil, the club is known for its trips to Richmond to attend a variety of outstanding musical programs, and for its receptions after each of the musical programs in the King Series, affording its members an opportunity to meet various musical celebrities including the entire National Symphony Orchestra. It tries to present a varied selection of musical programs including its spring recital given in conjunction with the music department.

THE AMERICAN GUILD OF ORGANISTS

*President NANCY KESSLER
Vice-President EILEEN GREGORY
Secretary-Treasurer DOROTHY PAYNE*

The American Guild of Organists is a national organization. Guild student groups may be organized in colleges and schools having an Organ Department. The Guild is composed of the organ students of this department. In addition to the regular meetings of its own, at which the members play for each other, the college chapter sometimes meets with the Staunton chapter of the Guild. Miss McNeil is sponsor for the group.

THE GLEE CLUB

Accompanist NANCY DRAPER*

The girls in the Glee Club are selected by tryouts which are open to the entire student body. During the year concerts are presented in Staunton and the neighboring towns—these concerts consist both of sacred and secular music. Among the programs given each year are the Christmas and Spring concerts, and joint concerts with men's college glee clubs.

The Chapel Choir is an organization separate from the Glee Club, which leads the music in the religious chapel services. Both organizations are under the direction of Mr. Gordon Page, who has led them successfully in past years and present.

THE CURTAIN CALLERS

President BETTY HARWOOD
Vice-President BIDLEY EVANS
Secretary-Treasurer PEGGY SHELTON

The Curtain Callers offers interested students the opportunity for participation in all types of dramatic activities. The membership requirements consist of a combination of three acting and backstage work points, or five working points. Each year, the club, under the direction of its sponsor, Dr. Fletcher Collins, presents two major productions, a fall play and a spring play. One is usually a group of one-act plays. The fall play this year was a bill of one-act plays directed by the speech majors.

THE CLUB HOUSE

MINA HILL *Chairman*
BETTY HARWOOD DONIA CRAIG
JENNY COURTNEY JOAN DAVENPORT

Since the new club house has not yet been completed, Mary Baldwin girls can always be found catching a quick cigarette, a hand of bridge, or a coke in the recreation rooms in the gymnasium. Though we think back often of our gay times in the old "pine paneled Biology Building", we eagerly await the completion of the new and modern club. We know always that somewhere on campus the piano or victrola will blast forth, the call for "a fourth", or another deck of cards, and a party of some kind will be carried on with the same Mary Baldwin spirit, no matter where our club is situated.

Chip-Inn has been an indispensable part of Mary Baldwin's extracurricular activities for four years. When the urge to relax or get away from it all are strongest, a week-end at the cabin is in order. The spirit of cooperation and sharing of work that makes the outing so enjoyable gave Chip-Inn its name.

The Bluestocking

The junior class, whose privilege and responsibility it is to edit the yearbook, presents the 1951 edition of the Mary Baldwin College BLUESTOCKING.

In the fall of 1950 the staff began its work. With many new ideas and dreams for an even better annual than ever before, this small group has watched the annual grow and develop through the year. Though many of the great plans had to be discarded, it is our hope that here are presented some of the choice pictures and activities of your friends; of girls whom you have known and loved, have played and worked with through the year.

Throughout the years the BLUESTOCKING has gained recognition both as a memory book and a cherished reminder to alumnae and students. We are a member of The Virginia Intercollegiate Press Association and The National Scholastic Press Association.

The staff would like to express its appreciation to Miss Fannie Strauss, faculty advisor for the BLUESTOCKING since 1931, for her encouragement and guidance through the year.

Thanks to the following students who have helped behind the scenes with the 1951 BLUESTOCKING: Margaret McLaughlin, Julia Budwell, Ann Paulett, Patty Mann, Nancy Jones.

Campus Comments

Campus Comments made its first appearance on December 15, 1924, and as the first editorial indicated, it was "related" to the Literary Society in that it was sponsored by the *Miscellany*. Its original purpose was to present interesting tidbits about campus life in an informal way but about 1930 this purpose changed and remains the same today—to give a good report of the news on campus.

In December, 1928, *Campus Comments* joined the other campus publications in participation in the Virginia Intercollegiate Press Association. Today it is a member of the National Scholastic Press Association and the Virginia Intercollegiate Press Association and has won honors in both state and national contests.

The size of the newspaper varied often until the fall of 1933 when it became the size of a daily newspaper. It remained that size until 1945 when it was reduced to the tabloid size it is today. Twenty to twenty-five issues are published each year by the staff, with contributions from the faculty and student body.

Miss Mary Swan Carroll has been the faculty advisor for *Campus Comments* since 1931.

The earliest appearance of literary effort at Mary Baldwin was the formal and humorous selections in the *Mary Baldwin Souvenir*, which served in Seminary days as annual, newspaper, magazine and alumnae news. In 1899, the Mary Baldwin Literary Society sponsored the first *Miscellany*. Since that first issue the *Miscellany* has made regular appearances, providing an excellent record of student life and interests. In times of national emergency and student inertia since that time, publication of a newspaper or annual has been occasionally suspended, but the *Miscellany* has enjoyed a continuous existence for 52 years, providing the literary outlet for Seminary and College authors.

With the appearance of "Florabelle Zirkle's Diary" in 1919, the magazine came to be dedicated to the student herself, instead of to her academic accomplishments. Emphasis shifted to creative writing, although the guidance and promotion of literary activity at Mary Baldwin continued as an important function of the magazine. Contests have been sponsored for the students, offering prizes for the best in poetry and prose. At commencement, June 1951, a special award will be presented for the third time for the outstanding contributions of the year in these fields.

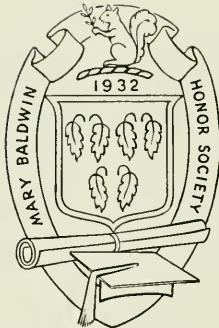

A member of the Virginia Intercollegiate Press Association and the National Scholastic Press Association, *The Miscellany* has won honors in both state and national contests. Under its sponsorship, *Campus Comments* first appeared in 1924, and soon became an important publication in its own right. For over half a century, the *Miscellany* has presented a quarterly portfolio of creative writing, a literary magazine planned, designed, and edited by and for the students of Mary Baldwin College.

Algernon Sydney Sullivan Award

JOSEPHINE TIMBERLAKE

The New York Southern Society and Mary Baldwin College have jointly arranged for the presentation of two medallions at commencement each year to those who, because of the quality of their lives, are judged to be appropriate recipients of the award. While the award recognizes accomplishment, unselfish service is the fundamental principle, as this was the keynote of the life of Algernon Sydney Sullivan, whose name the award bears. Usually one medallion is presented to a member of the graduating class and one to an alumna or some other person who has interest in and association with the college.

At the 1950 Commencement this award was presented to:

BETTY LANKFORD

Miss Josephine Baxter Timberlake, of Washington, D. C., an alumna of Mary Baldwin, in recognition of exceptional abilities which won and held an international prominence in the field of the education of the deaf.

Betty Lankford, of Spartanburg, South Carolina, a member of the Class of 1950, in appreciation of exceptional services rendered the life and ideals of Mary Baldwin.

ATHLETICS

The Athletic Association

ANNE BUCKNER POTTS
President

The dominant purposes of the Athletic Association at Mary Baldwin are to promote a spirit of good sportsmanship, to provide for development of fellowship and friendliness, to encourage leadership and to instil a spirit of enjoyment in sports which will continue after college.

Every student at Mary Baldwin is a member of the Athletic Association. The officers and council members compose the ruling body of the Athletic Association. The council includes the leader of each sport that is participated in at Mary Baldwin.

In the Fall, hockey and swimming are two of the favorite sports. Basketball is played in the Winter, followed by volleyball. In the Spring the tennis tournament and softball are the focus of attention. Throughout the year table tennis, bowling, archery, golf, pool and badminton are participated in by a majority of the students.

The Monogram Club

President BETTY HARWOOD
Vice-President BETTY STALL
Secretary-Treasurer JOAN LARRICK

The Monogram Club is composed of those students who have earned and received a monogram, not before the end of their second year. A student to be eligible for her monogram must have consistently represented her class and dormitory in athletic projects and must have worked to spread interest in these activities.

The prospective member must have played on at least five class or dormitory teams, in at least three different sports. Not only must she play on the teams but she must show an effort to improve and have sportsmanlike conduct in all college activities.

Dolphins

President MARTHA BOOTH
Vice-President ETHEL SMEAK
Secretary-Treasurer MEG DUNBAR

The primary purpose of the Dolphin Club is to promote enthusiasm for swimming among the students of the college. With the assistance of the sponsor, Miss Mildred Drosté, the members strive to improve their swimming as individuals and as a group. The club tryouts are held in September and February. Provisional standing is held until the requirements for regular membership are passed. Members attend meetings once a month and swim after the meetings. The Swimming Pageant, which takes place each spring, is a club project and only members of the club participate.

Hockey

Betty Houston
Leader

The favorite fall sport, the one which holds the enthusiasm of the greatest number of students, is hockey. Beginners and experienced players alike come out each Fall to participate in this exciting sport.

There are intramural games between the classes held at the end of the season, when everyone comes out either to play for her class or to cheer it to victory. This year the Sophomores took the championship by winning all their games; the scores were: Sophomores vs. Freshmen (2-0), Sophomores vs. Juniors (1-0), Sophomores vs. Seniors (1-0), Juniors vs. Seniors (1-0), Juniors vs. Freshmen (0-1), Seniors vs. Freshmen (2-0). The class captains were: Freshmen, Ono Lescure; Sophomores, Virginia Sykes; Juniors, Janet Russell; Seniors, Mina Hill.

The Allied A West held their tournament at Mary Baldwin for the first time this year and the M.B.C. team made a nice showing by tying one and winning one game. Those chosen for the Allied A West team were Betty Todd Eberhart and Jan Mitchell.

Basketball

Betty Harwood
Leader

Basketball, one of the major winter sports, is played by dormitory teams. These teams are divided into the Big and Little Leagues. This year Hill Top, McClung, Memorial, and Chapel represent the Big League, and Sky High, Rose Terrace, Riddle, and the Day Students represent the Little League.

The winners of each League compete in the final game for the dormitory plaque.

Swimming

Betty Todd Eberhart
Leader

Swimming is the major non-seasonal athletic activity of M. B. C. Each year comes the excitement of the intramural swimming meet.

The Sophomore Class won the meet and the cup this year. The Freshmen were second, leaving third and fourth places to the Juniors and Seniors respectively.

Captains for the classes were as follows:

Seniors Dorothy Bridges
Virginia Marsh
Juniors Betty Gwaltney
Betty Blount

Sophomores Ethel Smeak
Freshmen Audrey Pepper

Softball

Virginia Hill
Leader

In the Spring a Mary Baldwin girl's fancy turns to "softball."

Softball is a team sport in which all classes can participate. Each class team tries to win the championship cup. There is a varsity team chosen at the end of the season which is comprised of the most outstanding players.

Softball is played at most of the M.B.C. picnics.

Recreational

Tennis Leader *Archery Leader*
Mary Jane Cameron Joan Larrick

Volleyball Leader
Eva Pound

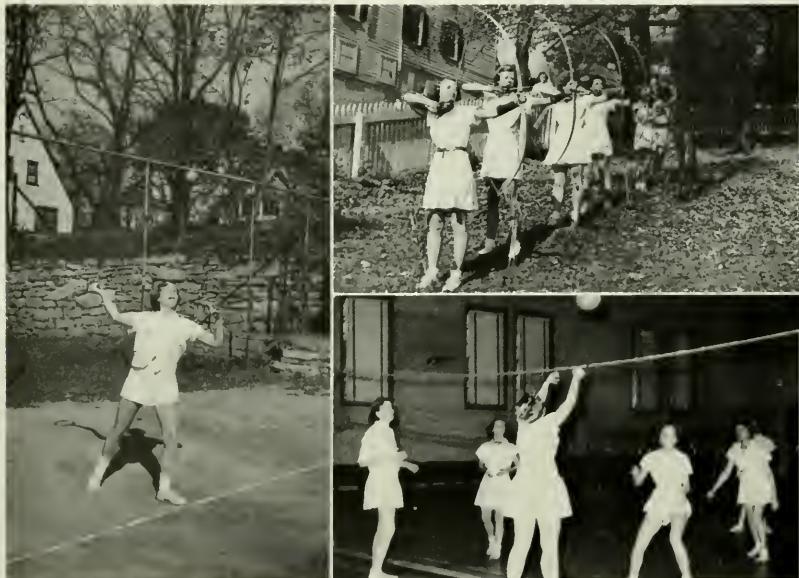

Of all the individual sports at Mary Baldwin, tennis is perhaps the liveliest and most competitive. The singles match is usually held in the Fall and the doubles match in the Spring. The winners names are engraved on a cup which becomes the property of the student who wins the tournament three years.

Since volleyball has become such a popular sport on campus the Athletic Association Council has decided to add it to their group of major sports.

A volleyball tournament between the classes is held in early spring and the winning team receives points toward the annual class cup.

At the end of the season a varsity team, composed of the most outstanding players, is chosen.

In the Spring the interest of all archers is directed toward the Inter-Collegiate Telegraphic Archery Tournament, which consists of a Columbia Round. Those who meet the requirements of the tournament are given a rating and awarded a certificate by the National Archery Association. Archery also takes a prominent place as one of the class sports, each class has a team composed of the girls with the three highest scores shot in a Columbia Round. At the end of the year, the tournament winner receives a cup from the Athletic Association at the annual banquet.

GOLF

Golf is a popular sport at Mary Baldwin. In the Fall and Spring, many enthusiastic golfers go to Ingleside course and the Gypsy Hill course to play. A tournament is held in the Spring.

TABLE TENNIS:

An ever popular game with all. It runs from the opening of the school year until the close of the doors in June. This season there was a tournament of singles. The tournament winner for the year is awarded a trophy at the Athletic Association banquet in the Spring.

BOWLING:

Groups go down to the "Y" Saturday mornings and week-day afternoons. The game is especially popular during examination week.

BADMINTON:

Badminton tournaments are held in doubles and singles. There are trophy awards for both badminton singles and doubles which provide great individual sport competition.

POOL:

One of the games that will never die on the campus. The tables in the Gym and on upper Back Gallery provide the center of a great deal of interest.

LYNCHBURG, VIRGINIA

Sometimes it is the nature of a craft to create an unbreakable tie between itself and the worker in that field, a heart attachment equal to lifetime devotion. One familiar example is PRINTING. Once editor, once compositor, or pressman catches the spirit of the shop, the spell is seldom broken. Like the odor of a camp fire, or a whiff of salt air, the beloved tang of printer's ink, symbolic of a great profession, gets into your heart and soul. School Annuals, Magazines, Newspapers and Special Printing, all smack of it. It is an invisible link that binds all intelligence together. It is the stimulus for creation in business or romance. This craftsmanship, this devotion to service and alertness to business needs, has nourished and developed an enormous industrial vitality, and whichever way the course of the future runs, the printer will always find himself able to adapt his helpfulness to new opportunity.

Years of experience have taught us! Printing Pays Us Only When It Pays You!
